ORGANOGRAM

A purple shipping container is shown against a bright blue sky with scattered white clouds. The container is positioned on a light-colored, paved surface. A semi-transparent purple rectangular box is overlaid on the front of the container, containing white text. The container has a corrugated metal texture and several locking mechanisms along its top edge. The background is a clear, vibrant blue sky with soft, white clouds.

Our service portfolio/pillars encompasses **Customs Clearing & Forwarding, Petroleum Products documentation, Bulk/Project Cargo Management, Transportation (Road, Rail, Air), Warehousing and 3PL Managed Solutions and CFS Services**

ROAD TRANSPORTATION

Urgent Cargo has its own fleet of trucks, low loaders, car carriers, and delivery vans fitted with tracking devices to cater for your transport needs.

Utilizing our own fleet of trucks that range from half-ton pick-ups, 10-ton trucks, car carriers, low loaders to 40-ton semi-trailers. We provide transport to all destinations in East Africa and have the capacity to transport your goods be it commercial cargo, bulk cargo, loose cargo, motor vehicles, containerized cargo or heavy equipment.

sales@urgentcargo.com

RAIL TRANSPORTATION

Urgent Cargo enjoys a special relationship with the Kenya Railways for safe and effective goods transit. The Kenya Railway network spans most of Kenya with operations across several train routes. This enables us to facilitate a cost-effective point-to-point bulk goods transportation service on the basis of Full Truck, Half truck or Container Load.

AIR FREIGHT

Speed and reliability are everyone's priority. In partnership with our international network, we have made it our mission to meet these expectations. We can arrange for the efficient movement of your air freight cargo on a door-to-door basis around the world.

Our international network, which is represented in most international airports offers a wide range of services;

1. Ordinary Airfreight
2. Charter Services
3. DGR Freight
4. Courier Freight

SEA FREIGHT

UCHL has built indefatigable strength in **SEA FREIGHT** operations. As a tradition Urgent Cargo offers its customers flexible service options for ocean freight transportation. As a result of volume contracts we have with major shipping lines, we obtain value-based pricing and excellent space commitments. Supplementary facilities like warehousing-free or bonded, CFS services, Cargo ground handling or transporting equipment are standard in our basket.

Our sea freight services include;

1. Complete FCL and LCL service
2. Project/OOG Cargo;
3. Export and Import documentation
4. Transportation (heavy and light)
5. Warehousing

A large industrial warehouse with a high ceiling and metal beams. The floor is dark and polished. Several pallets are stacked with cardboard boxes, some wrapped in clear plastic. The lighting is bright, coming from the right side, creating a warm glow. A large industrial fan is visible in the upper left.

WAREHOUSING

We offer warehousing facilities for both long-term and short-term storage of cargo.

We also provide supply chain management services.

3PL MANAGED SOLUTIONS

To provide integrated logistics and supply chain management solutions, Urgent Cargo will outsource staff to you and manage your entire supply chain to allow you time to focus on what you do best”

CFS SERVICES

Our CFS services in Mombasa and Nairobi will guarantee the following advantages;

1. Better service preposition in Nairobi with faster verification, loading and exit processes; truck turnaround time of 2hrs or less
2. Opportunity to perform destination inspection and issuance of COCs giving importers the advantage of quick importation; hence faster market access
3. Better visibility of cargo movement
4. Overall control of the importers to fix their importation costs; no hidden operational costs nor late delivery penalties
5. Reliable and flexible planning opportunities
6. Early acceptance of export cargo for railage
7. Centralized customs operations for both import and export
8. Return of empties within stipulated shipping free period
9. Personalized service between the CFS management, agents and importers
10. Daily updates to the importers and their agents
11. Ability to negotiate credit facilities
